BillBoorman: Q1: The biggest thing you need to get ready is being clear on what you want and why #genychat

onboardyourself: #genychat Q1: Enthusiasm is fantastic (and necessary), but it's not readiness.

rblake: @RossLeadership sounds like a disclaimer for your current job :P #genychat

asr2008: I'd have to see what the position entails, but I'll be darn if I don't follow through on a job lead #genychat

BillBoorman: @CornOnTheJob Evening Mr.corns #genychat

CornOnTheJob: @BillBoorman Hey big bill! #genychat

jessica_journey: A1: The lead would have to be the right next step for me (because I'm currently not looking) #genychat

blogging4jobs: Q1--Hell yes. Girl Scout Motto--always be prepared. #genychat

debmorello: A1. Need to always b ready -1. Find out what the specs of the job respons. are, make sure experience in my res shows those skills #genychat

CornOnTheJob: Q1: I'd be ready...but are they ready for me? #genychat

ShawnaRoseBrown: Q1 yes. I'm all set. I have an e-portfolio that I constantly update. #GenYChat

RossLeadership: well...I run the ship so.. :-) RT @rblake @RossLeadership sounds like a disclaimer for your current job :P #genychat

Austin_Curtis: Q1 You can't be too quick to make a decision. Too many times do people accept the offer they get w/ out trying to negotiate salary #genychat

jessica_journey: Yes... RT @asr2008: I'd have to see what the position entails, but I'll be darn if I don't follow through on a job lead #genychat

GenyChat: I want to know how many people think they're ready. I think you think you're ready, but you aren't really. #genychat

onboardyourself: #genychat Q1: How do you communicate or demonstrate readiness over the phone or in a screening interview?

WriterChanelle: Hmmm. Sounds good so far RT @ShawnaRoseBrown: Q1 yes. I'm all set. I have an e-portfolio

that I constantly update. #GenYChat

WriterChanelle: Challenge! RT @CornOnTheJob: Q1: I'd be ready...but are they ready for me? #genychat

ShawnaRoseBrown: Q1 what do you think the most important thing is in prepping for a job interview in communications? #genychat

RossLeadership: RT @GenyChat: I want to know how many people think they're ready. I think you think you're ready, but you aren't really. #genychat

IisChrisMiller: @CornOnTheJob Hey, rookie question but who moderates #genychat? i'd like to participate :)

debmorello: Q1. Job "lead" or job "offer" wasn't the question if you had a job lead would you be ready? #genychat

jessica_journey: Always updating resumes & portfolios is critical! RT @ShawnaRoseBrown: Q1 I have an e-portfolio that I constantly update. #GenYChat

BillBoorman: @onboardyourself The best way you can demonstrate readiness is showing why you want THAT job and COMPANY #genychat

Animal: MRT @BillBoorman 'ello guvna. its my 1st time in this #genychat chat

IgobyEllie: Is #genychat tonight? Why do I always think it's on Thursday? sigh...

GenyChat: @IisChrisMiller - Hey! @WriterChanelle & @rblake are the moderators of #genychat

GenyChat: RT @BillBoorman: @onboardyourself The best way you can demonstrate readiness is showing why you want THAT job and COMPANY #genychat

ShawnaRoseBrown: RT @KyleMcShane: Q1: Do not wait until you have to get a job or have a job lead to update your resume & SM profiles. You will forget alot over time #genychat

Austin_Curtis: Q1 Wow them with your knowledge of their industry - be enthusiastic! Speak with a smile on your face #genychat

WriterChanelle: Q2. Would you relocate if someone didn't pay your costs to move? #genychat

GenyChat: Q2. Would you relocate if someone didn't pay your costs to move? #genychat

onboardyourself: @KyleMcShane Good advice for #genychat

WriterChanelle: @IgobyEllie Yes it is. Get on in here! #genychat

jessica_journey: Q1: I think there is no excuse for not having your LinkedIn profile always current! :) #genychat

RossLeadership: Q2 - better be willing to in this market or you are toast most likely #genychat

rblake: RT @GenyChat: Q2. Would you relocate if someone didnt pay your costs to move? #genychat

asr2008: If I believed I could recoup my losses and the job/location is worth it, then yes I'd move #genychat

debmorello: A1. Agree, always be ready, have resume updated, but also have "versions" of your resume that can speak to diff. specifics. #genychat

rblake: Referring to LinkedIn? Or other sites? RT @jessica_journey: Always updating resumes & portfolios is critical! #genychat

KyleMcShane: Q2: It really depends on where the new job is. Will I be moving to a city I would prefer to live in

more than my current city? #genychat

WriterChanelle: Q1. If someone gave me someone to call right now, I would be ready with my resume....and that's about it. #genychat

Austin_Curtis: Q2 If you know you want to work for this company, truly love the industry and see an opportunity to make your dreams come true YES #genychat

blogging4jobs: RT @rblake: RT @GenyChat: Q2. Would you relocate if someone didnt pay your costs to move? #genychat

jessica_journey: Everything that represents you - online & offline! RT @rblake: Referring to LinkedIn? Or other sites? #genychat

ShawnaRoseBrown: @BillBoorman I disagree. I think the most imp. thing is to show the company why you will best fit the job, not why it will fit u. #genychat

rblake: @asr2008 Would you move away from family for a dream job? #genychat

Animal: RT @GenyChat: Wd U relo if co didnt pay 4 it? #genychat

WriterChanelle: Q1. There's a lot more to being ready to accept your dream job than WANTING a job #genychat

KristenEJ: Q2: I'd have to really like what I'm doing and also be compensated well enough to justify moving #genychat

GenyChat: RT @jessica_journey: Everything that represents you - online & offline! RT @rblake: Referring to LinkedIn? Or other sites? #genychat

KyleMcShane: @onboardyourself Thank you. It is hard to do when you are employed and are not job seeking, but its very important to update #genychat

IgobyEllie: Q2: It depends on a job and a city. Right now probably yes, later in my carrier probably not. #genychat

blogging4jobs: Q2--I would. Sometimes starting over is the best thing given the right opportunity. #genychat

onboardyourself: @jessica_journey applause for Q1! #genychat

RossLeadership: RT @blogging4jobs Q2--I would. Sometimes starting over is the best thing given the right opportunity. #genychat

GenyChat: RT @blogging4jobs: Q2--I would. Sometimes starting over is the best thing given the right opportunity. #genychat

jessica_journey: Q2: It is tricky to think about moving - I've invested some much time & resources into cultivating my #indy network #genychat

rblake: @IgobyEllie Was it worth it? I've thought about it several times. #genychat

johnYSchen: Q2) I moved to dc from Cali to DC w/o any relocation costs provided. Opportunity was right! #genychat

asr2008: @rblake I guess being an ex-military kid, my family moved to places across the country so I've

been mentally prepped I guess (: #genychat

asr2008: RT @GenyChat: RT @blogging4jobs: Q2--I would. Sometimes starting over is the best thing given the right opportunity. #genychat

onboardyourself: @BillBoorman Bingo! Specificity demonstrates readiness. #genychat

KB_DoubleU: Q2: At my last agency, I temporarily relocated to Princeton, NJ for 3 months for a chance to work on-site at my Client's US HQ. #genychat

WriterChanelle: Q2. follow-up: It is the right opportunity. This is your dream job. Will you move now if someone didn't pay? #genychat

GenyChat: Q2. follow-up: It is the right opportunity. This is your dream job. Will you move now if someone didn't pay? #genychat

Austin_Curtis: @writerchanelle Being ready to take your dream first requires an understanding of what it is that you are seeking #genychat

RossLeadership: @asr2008 Q2: definitely need to have mental prep to make those jumps. #genychat

nikkijames: @GenYChat if it was a step in the right direction Yes. #genychat

GenyChat: RT @BTarver: #GenyChat for the right position..in right location...most people would say "In a Heartbeat" theyd move with a relo package

Austin_Curtis: @johnYSchen I'm from cali too. Stayed on the eastcoast to seize an opportunity #genychat

GenyChat: @BTarver #genychat But would they move without one?

KristenEJ: Q2follow: I definitely would move, as it's where I want to be and I can scrimp to save and regain the relo money #genychat

YouTernMark: Q2: Absolutely! New places are invigorating, new opportunities inspiring...just make sure it is the right opportunity/investment #genychat

GenyChat: It is. It's your dream job. You would be ready in a week? RT @nikkijames: @GenYChat if it was a step in the right direction Yes. #genychat

asr2008: @RossLeadership it's a very scary step and if you're not careful, it can unfortunately lead to a bad state of mind #genychat

IgobyEllie: Q2: Sometimes is not about the \$\$\$, not trying to be cheese but aren't we the generation that follows their dreams? #genychat

onboardyourself: Dithering over a relo question demonstrates 'unreadiness' for job interview. Readiness = having answers/alternatives beforehand. #genychat

ShawnaRoseBrown: @BillBoorman yes, but is that really more emphasizing how you'll help the company grow? #genychat

GenyChat: RT @asr2008: @RossLeadership its a very scary step and if youre not careful, it can unfortunately lead to a bad state of mind #genychat
