kellyhclay: Sorry for any twitter overload for the next few....joining the #GenYChat while I mob on some @chipotletweets for dinner (yes, again.)

scottcowley: @WriterChanelle Pakistan <http://bit.ly/chlO9K> China <http://bit.ly/b2PRq3> This stuff is huge, but CNN spends 2.5 seconds on it #GenYChat

josippetrusa: Hmm I stepped out for a sec and missed the topic at hand #genychat

juliacantor: @rblake @WriterChanelle #genychat Shaq is on the Celtics! Big news.

scottcowley: @WriterChanelle I actually sat and watched Aljazeera for 15 minutes because they had great coverage and footage. #GenYChat

WriterChanelle: Big headlines: Female employee quits job by emailing pics on a whiteboard after being called a hot piece of ass by boss #genychat

kellyhclay: @WriterChanelle Steven Slater is my HERO. I wanted to run out of my prev. job waitressing the same way for a year. Props to him. #genychat

IgobyEllie: Hey there. Just saw there is the #genychat. I'll be crashing from my elliptical a little

- steve_campbell:** guess I've got a few major headlines of my own lol but what's this story with the white board girl all about? #genychat
- josippetrusa:** @J_Fuji I just saw, so uninspired by it now. Its not even funny now that it was planned #genychat
- WriterChanelle:** This is the major difference...he was a flight attendant for 28 years. @amfunderburk1 @J_Fuji#genychat
- IgobyEllie:** agreed! RT @rblake: @IgobyEllie Multiple times. Haha! #genychat - still inexcusable tho.
- WriterChanelle:** 28 years of bad mouthing, shoving, disrespectful people. He had enough. @amfunderburk1 @J_Fuji#genychat
- kellyhclay:** @josippetrusa I know, right? She'll probably end up in Playboy or something. Ugh. #genychat
- rblake:** Do you think the #JetBlue guy is a hero for stealing and walking out?

@scottcowley @IgobyEllie@kellyhclay - If so, why? #genychat

WriterChanelle: There's a reason thousands upon thousands of people are fans of his.
@scottcowley #GenYChat

scottcowley: @rblake I think he should be fined for the theft and then thrown a parade and given a non-service job. cc: @kellyhclay @igobyEllie #GenYChat

kellyhclay: @rblake walking out, yes. Stealing is never ok, but could be heroic depending on the employer-employee relationship they had. #genychat

amfunderburk1: @kellyhclay True, but I just read the story and he did apparently steal things from the plane when he left and the slide thing. #genychat

J_Fuji: @josippetrusa Took all the wind out of the sails. When I first saw it, thought it was okay. Surprised me to see it trending! #genychat

steve_campbell: @juliacantor thank you. Definitely going to check this out right now. #genychat

kellyhclay: @josippetrusa it's viral marketing, and it works, and it's a concept advertisers are quickly catching onto - and piggybacking on. #genychat

juliacantor: @rblake @scottcowley @IgobyEllie @kellyhclay #JetBlue #genychat when you say he stole, do you mean the beer?

josippetrusa: @kellyhclay Good for her, but she's not as HOPA as she thinks. Neither is her lackluster FB following. Ha #genychat

WriterChanelle: LOL RT @scottcowley: @rblake I think he should be fined for the theft and then thrown a parade and given a non-service job. #GenYChat

amfunderburk1: @kellyhclay @rblake From all of the jobs I have ever had stealing is NEVER okay in any situation. #genychat

WriterChanelle: @scottcowley What sort of non-service jobs might he take? #GenYChat

amfunderburk1: Yes. RT @juliacantor:
@rblake @scottcowley @IgobyEllie @kellyhclay #JetBlue #genychat when you say he stole, do you mean the beer?

kellyhclay: @josippetrusa amen brotha. She really isn't that cute. I think her 15 minutes are over. #genychat

josippetrusa: @RickCaffeinated Not a problem, but I was hoping for something interesting #genychat

scottcowley: @WriterChanelle Who knows? Someone with those kind of guts might make a half-decent writer. #GenYChat

kellyhclay: @amfunderburk1 What do you consider stealing? #genychat

josippetrusa: @j_fuji It's a good laugh. Until you realize it's fake #genychat

rblake: @juliacantor Yes #genychat

WriterChanelle: @amfunderburk1 True. That is bad. In the grand scheme of things that was the least major infraction. #genychat

amfunderburk1: Apparently! RT @WriterChanelle: 28 years of bad mouthing, shoving, disrespectful people (cont). @amfunderburk1 @J_Fuji #genychat

WriterChanelle: re: HPOA girl RT @kellyhclay: it's viral marketing, and it works, and its a concept advertisers are quickly catching onto #genychat

josippetrusa: @kellyhclay Exactly. But so weak, hardly changes anything. They should be more creative. #genychat

fredmclimans: @WriterChanelle I'm amazed that ANYBODY could be a flight attendant for more than a week! #genychat

juliacantor: @steve_campbell #genychat @HubSpot did a parody... They are hiring & did a video w/whiteboards like the girl's. It's great.

amfunderburk1: @kellyhclay When he took the beer from the plane without paying for it, that was technically stealing. #genychat

WriterChanelle: So what are next steps? If you were caught in a PR nightmare, what would you do? #genychat

WriterChanelle: Love it. RT @scottcowley: @WriterChanelle Who knows? Someone with those kind of guts might make a half-decent writer. #GenYChat

rblake: @kellyhclay Stealing isn't subjective. DEF: to take (the property of another) without permission or right. #genychat

WriterChanelle: Yup yup. RT @fredmclimans: @WriterChanelle I'm amazed that ANYBODY could be a flight attendant for more than a week! #genychat

steve_campbell: @juliacantor yea I understand now. Wish I didn't know it was a hoax beforehand though. lol #genychat

kellyhclay: @amfunderburk1 I'm sure he's had lots of free beverages as a flight attendant. The should be the last of our concerns. #genychat

juliacantor: @WriterChanelle @kellyhclay #genychat was she selling something or representing a brand? I didn't know that #whiteboardgirl

WriterChanelle: Oh...and does anyone think that the passenger should be charged for assault? She did hit Slater with her luggage #genychat

steve_campbell: Stealing the beer and sliding down the escape slide was definitely baller haha #genychat

kelly_ashworth: opting to go to bed ridic early instead of joining #genychat... its been awhile, def will try next week & read through the convo tomorrow!

WriterChanelle: .@juliacantor Before we knew it was a hoax, she was an employee who was sexually harassed. Now...a PR stunt for Playboy? #genychat

kellyhclay: @juliacantor #whiteboardgirl is looking for a job as a model, and the campaign yesterday was a viral attempt to get her noticed. #genychat

GenyChat: RT @WriterChanelle: So what are next steps? If you were caught in a PR nightmare, what would you do? #genychat

juliacantor: @steve_campbell I had no idea it was fake until just now. Did she just want to be famous? #genychat

rblake: -- @WriterChanelle Well certainly. If she assaulted the flight attendant, she should be charged accordingly. #genychat

steve_campbell: @kelly_ashworth I urge you to come next week! #genychat

amfunderburk1: @kellyhclay True. It is just something the airline could use against him. I think him releasing the slide would be a bigger deal. #genychat

WriterChanelle: Yep RT @rblake: -- @WriterChanelle Well certainly. If she assaulted the flight attendant, she should be charged accordingly. #genychat

amfunderburk1: RT @rblake: -- @WriterChanelle Well certainly. If she assaulted the flight attendant, she should be charged accordingly. #genychat

steve_campbell: If I were caught in a PR nightmare, I would either keep quiet for a while, or offer customers some free shwag. #genychat

kellyhclay: @steve_campbell thank you. it was hella baller. I wish I would have seen it in person! #genychat

WriterChanelle: Except no one is arresting the passenger. The passengers of that flight are all getting \$100 vouchers. @rblake #genychat

josippetrusa: @rblake So politically correct tonight. If I was a passenger, the delay would've pissed me off #genychat

amfunderburk1: @rblake @WriterChanelle Did she hit him on purpose? The article wasn't very clear on that. #genychat

juliacantor: @kellyhclay #whiteboardgirl #genychat aha! Thank you! (Apparently I only got 10% of the point of it) :-)

josippetrusa: BP has showed us that even the worst PR nightmare can be written off my a check #genychat

WriterChanelle: @OwlAsylum Thanks for the RT! #GenYChat #smallbizchat

SaraBallen: @scottcowley I think the Jet Blue guy has quite the political future. #genychat

fredmclimans: Why do I always take the wrong flights...RT @WriterChanelle: The passengers of that flight are all getting \$100 vouchers. @rblake #genychat

josippetrusa: BP has showed us that even the worst PR nightmare can be written off by a check #genychat*correction

WriterChanelle: RT @amfunderburk1: @rblake @WriterChanelle Did she hit him on purpose? The article wasn't very clear on that. #genychat

fredmclimans: Joe the Plumber? RT @SaraBallen: @scottcowley I think the Jet Blue guy has quite the political future. #genychat

rblake: @josippetrusa Canceled flights upset almost the majority of passengers. It happens, we have to go with the flow. #genychat

steve_campbell: @kellyhclay I would've done the same thing if I were in his situation lol #genychat

josippetrusa: @tyippie A pen and a notebook. I like drawing arrows and doodling and the such. #genychat

OwlAsylum: RT @WriterChanelle: @OwlAsylum Thanks for the RT! #GenYChat #smallbizchat (NO problem! Been trying to jump in but a story got my attention)

kelly_ashworth: @Steve_Campbell its in the planner... which means the odds of me participating next

week just tripled. haha. #genychat

SaraBAllen: If I were Jet Blue I would offer inflight meditation videos and a chanting guru. Maybe seat yoga? #genychat

steve_campbell: @juliacantor I dunno, but now she's famous for being a fake I hope. #genychat

WriterChanelle: What she did was not listen to his warnings, did what she wanted to do, which resulted in him being hit. @amfunderburk1 #genychat

RickCaffeinated: You'd hope online PR nightmare, 1) you'd have community take your back, 2) make positive if you can, 3) stick up for employees #genychat

scottcowley: @SaraBAllen @fredmclimans Hahah. The last thing we need is people transitioning from 15-minute-fame to politics. #GenYChat

steve_campbell: @kelly_ashworth Good! You won't be disappointed #genychat

rblake: I dont think she did it on purpose. Opened the top compartment and it fell on him. This guy needs to grow a pair. Wah no apology. #genychat

SaraBAllen: @fredmclimans noo the Jet Blue guy who ditched his plane after the lady slammed his head into the overhead bin. #genychat

amfunderburk1: @WriterChanelle Oh okay, gotcha. So it was definitely her fault for the whole thing starting. She should have apologized. #genychat

amfunderburk1: @rblake Exactly! She should have apologized, but I do believe he overreacted. #genychat

juliacantor: @kellyhclay #genychat LOL... Yeah, can't wait to see!

kellyhclay: @rblake so its HIS fault for HER assault? She committed the crime. #genychat

tyippie: @josippetrusa old school sure works! crap is it #genychat rite now?

WriterChanelle: Latest employment statistics say # of persons employed part time for economic reasons = 8.5 million #genychat

juliacantor: @WriterChanelle do you think JetBlue as a brand is negatively affected by this particular instance? #genychat

josippetrusa: Hmm, HOPA girl has under 1200 fans vs. Flight attendant who has just over 160,000. I guess real is better #genychat

fredmclimans: Way low... RT @WriterChanelle: Latest employment statistics say # of persons employed part time for economic reasons = 8.5 million #genychat

josippetrusa: Ha, yes it is RT @tyippie @josippetrusa old school sure works! crap is it #genychat rite now?

WriterChanelle: Those 8.5 million are also known as involuntary part-time workers. These people are already stressed with finances #genychat

rblake: @kellyhclay If she opened the compartment and it fell on him, is that assault? She shouldve apologized but he went overboard, lit. #genychat

rblake: RT @juliacantor: @WriterChanelle do you think JetBlue as a brand is negatively affected by this particular instance? #genychat

WriterChanelle: NopeRT @juliacantor: @WriterChanelle do you think JetBlue as a brand is negatively

affected by this particular instance? #genychat

steve_campbell: Here's a major new headline: Madden came out the other day. lol #genychat

tyippie: GENYCHAT HELLO!! #genychat

fredmclimans: NO! +1 RT @rblake: RT @juliacantor: @WriterChanelle do you think JetBlue brand is negatively affected by this particular instance? #genychat

WriterChanelle: .@juliacantor There are way more people happy with Slater than unhappy. Hopefully it will cause people to be nicer to employees. #genychat

scottcowley: @juliacantor @WriterChanelle I think JetBlue could really screw it up - it'll be interesting to see how it plays out. #GenYChat

steve_campbell: @tyippie Hello :) #genychat

juliacantor: @josippetrusa LOL does flight attendant have a FB fan page? I imagine hopa girl would. #genychat

rblake: @juliacantor If anything I think it made a positive impact. Disgruntled customer - FA over-reacts. #jetblue goes viral. #genychat

jillkrasny: Popping into #genychat just for a second before I watch movies.

steve_campbell: RT @juliacantor: @josippetrusa LOL does flight attendant have a FB fan page? I imagine hopa girl would. #genychat

rblake: Welcome! RT @jillkrasny: Popping into #genychat just for a second before I watch movies. #genychat

juliacantor: @WriterChanelle #genychat me neither.

rblake: HAHA! RT @velmshizzle: @rblake lol effect jet blue. Lol who flies with them anyway #genychat

WriterChanelle: The number of unemployed persons = 14.6 million #genychat

josippetrusa: @juliacantor They both do. The #whiteboard girl is only at under 1200 followers out of the mil she wants however... #genychat

tyippie: @steve_campbell How have u been? So many familiar faces tonight! #genychat

rblake: @juliacantor Yes several in fact. Lots of support - I have no idea why though. It's ridiculous. #genychat

josippetrusa: @juliacantor the flight attendant has hit 160,000 fans on his fan page. #genychat

steve_campbell: @tyippie pretty good, thanks. How are you? #genychat

WriterChanelle: What will you learn from these headline stories? #genychat

GenyChat: What will you learn from these headline stories? #genychat

RickCaffeinated: @josippetrusa sure, I'll be GenT, from the mid 1890s, a social media developer/blacksmith apprentice :-)) interesting enough? #genychat

juliacantor: @WriterChanelle #genychat I completely agree... And JetBlue has a great reputation in general, so I think this is an isolated instance.

kellyhclay: @WriterChanelle @scottcowley I'm really curious to see how JetBlue handles PR & SM- hopefully, they aren't as silent as BP was #genychat

amfunderburk1: Thanks for the great chat tonight everyone! Wish I could stay for the rest of it! #genychat

WriterChanelle: Is Steven Slater hireable? Has he completely messed up his ability to work for anyone but himself? #genychat

steve_campbell: @amfunderburk1 too busy changing your twitter picture? lol j/k thanks for coming! #genychat

josippetrusa: @RickCaffeinated Ha, great comment! #genychat

rblake: @amfunderburk1 Thanks for coming! I like the new profile pic! Hope to see ya next week! #genychat

rblake: RT @WriterChanelle: Is Steven Slater hireable? Has he completely messed up his ability to work for anyone but himself? #genychat

josippetrusa: How to make an effective one of your own RT @GenyChat What will you learn from these headline stories? #genychat

kellyhclay: @WriterChanelle he would need to turn his departure (ha...ha) into strengths. Initiative, motivation, independent thinking. #genychat

WriterChanelle: I know you all understand personal branding. If you were handling Slater's PR, what would you do? #genychat

WriterChanelle: Or liars. LOL RT @kellyhclay: I'm really curious to see how JetBlue handles PR & SM- hopefully, they aren't as silent as BP was #genychat

butterflylost: @WriterChanelle butting in--> that would say that one incident ruined his rep. Totally untrue #genychat

rblake: @kellyhclay I'm not sure if that's doable in his case. Most of the time stealing is an auto do-not-hire. Especially with this pub. #genychat

steve_campbell: @WriterChanelle I would have him go away for a little while. Time heals all wounds. #genychat

J_Fuji: @WriterChanelle Create a Tiger Woods serious commercial parody? #playingwithfire #genychat

butterflylost: @WriterChanelle He may need to change industries, but obviously he was a great employee during his tenure #genychat

WriterChanelle: BP definitely lied about how bad everything was to save face. Bad strategy. @kellyhclay #genychat

kellyhclay: @josippetrusa make it big, unique & after the day someone else's big story - when people are talking and paying attention. #genychat

WriterChanelle: RT @kellyhclay he would need to turn his departure (ha...ha) into strengths. Initiative, motivation, independent thinking. #genychat

WriterChanelle: *nods* RT @butterflylost: @WriterChanelle butting in--> that would say that one incident ruined his rep. Totally untrue #genychat

WriterChanelle: True. RT @Steve_Campbell: @WriterChanelle I would have him go away for a little

while. Time heals all wounds. #genychat
