

## #GENYCHAT October 13, 2010

**GenyChat:** Please begin making your introductions and share your links! The special guest host tonight is YOU. What are your questions? #genychat

**rblake:** RT @GenyChat: Alright everyone! We're about to begin #genychat. Please hop into TweetChat or save the #genychat column

**THO\_R:** RT @ChatSchedule: 10 minutes until #GenYChat starts - RT if you'll be here

**Animal:** #GenYChat Do GenYers realize that the main diff between them and older people is that they are young not that they are GenY?

**rblake:** @Animal I think some of them think differently too. Isn't that definition of generations as well? #genychat

**ComeRecommended:** Hi everyone! Katie here tweeting for Come Recommended. Has everyone read this?<http://tcn.ch/9xpD0g> #genychat

**WriterChanelle:** @Animal We definitely realize that. Does The New York Times understand that? Not so much. #GenYChat

**TheKrayzel:** James here...career seeker! connect with me on LinkedIn <http://linkd.in/cZwaA2> #genychat

**Animal:** #GenYChat @rblake I've heard all the stuff about how they think diff. The main issue is just being young, powerless, free of responsibility

**WriterChanelle:** Welcome to #genychat all, Chanelle here. Founder and co-host.

**peterfromottawa:** HI #GenYChat - it's been a while... i'm between internet service providers! stoked to be back!

**rblake:** @animal I'm young, powerless, but I have a lot of responsibility - not sure where you are getting

that from. #genychat

- WriterChanelle:** First, I'd like to say how utterly happy I am that all of the miners have been rescued! #genychat
- sagourd:** RT @rblake: RT @GenYChat: Alright everyone! We're about to begin #genychat. Please hop into TweetChat or save the #genychat column
- WriterChanelle:** @ComeRecommended Hey Katie! Yup I read it. #genychat
- Animal:** @rblake RU married with kids and a mortgage? #GenYChat
- marciamarcia:** Yes! RT @WriterChanelle First, I'd like to say how utterly happy I am that all of the miners have been rescued! #genychat
- ArrowsWithSoul:** Yes! Hi all, Yas here RT @WriterChanelle: First, I'd like to say how utterly happy I am that all of the miners have been rescued! #genychat
- RefinanceDeals:** @rblake RU married with kids and a mortgage? #GenYChat #TWITT #YYZ
- rblake:** Amen! I am as well! RT @WriterChanelle: First, I'd like to say how utterly happy I am that all of the miners have been rescued! #genychat
- RefinanceDeals:** @rblake RU married with kids and a mortgage? #GenYChat #TWITT #YYZ #USA
- WriterChanelle:** @Animal I really think that's the problem. Powerless implies we have no power at all to make anything happen. I disagree. #GenYChat
- TheKrayzel:** Amen.. RT @WriterChanelle: @ComeRecommended Hey Katie! Yup I read it. #genychat
- rblake:** @RefinanceDeals Does not being married, with kids and a mortgage void me of all responsibility? I think not. #genychat
- WriterChanelle:** @Animal Almost everything that is written about GenY is so skewed that it forgets that older gens were where we are now #GenYChat
- Animal:** @WriterChanelle When you're 23 you don't have a senior role anywhere except in youth organizations #GeNYChat that's what I mean
- peterfromottawa:** Wait - what was Q1? #genychat
- Animal:** @WriterChanelle eg U can't be a doctor b4 U get credentialed #GenYChat
- GenyChat:** @animal Except I'm 26 and still a GenYer. I resent the generalizations they make about us. #GeNYChat
- DListRecruiter:** I want to know why GenY leaches off their parents and refuse to grow a set and move out. Can anyone comment? #GenYChat
- AvidCareerist:** @Animal hasn't seen Social Network. Gen Y can do amazing things. #genychat
- TheKrayzel:** Amen and Amen RT @WriterChanelle: First, I'd like to say how utterly happy I am that all of the miners have been rescued! #genychat
- WriterChanelle:** @animal I don't think anyone among us wants to be anything before we have the experience behind us. That's a stereotype they make #GenYChat
- Animal:** @WriterChanelle #GenYChat That's my point. The articles claim you're way diff. Not true.
- peterfromottawa:** that's a pretty harsh generalization @DListRecruiter... #genYchat

**WriterChanelle:** @animal And these inaccurate statements are made about all of GenY when...let's get down to it...who raised them to be spoiled? #GenYChat

**THO\_R:** @DListRecruiter Moving out for moving out's sake can sometimes be a foolish move. #genychat

**ArrowsWithSoul:** @Animal responsibilities differ across ppl but we ALL have responsibilities #genychat

**Animal:** @WriterChanelle I think most young people are impatient. Why not? #GenYChat

**WriterChanelle:** @animal All of these kids who grew up getting and expecting cars and school paid for them...that wasn't me. I didn't have that. #GenYChat

**ComeRecommended:** @DListRecruiter For many Gen Yers, it's tough to find a job & move out right after college b/c of little opp or high competition #genychat

**WriterChanelle:** @animal And, there are plenty of others out there like me who didn't get everything they asked for in life. #GenYChat

**DListRecruiter:** Why is it cool now adays to be in your 20's and 30's and still living at home ? PATHETIC. Go get married, get a home, n have kids #GenYChat

**WriterChanelle:** @animal We're impatient because we're used to fast-paced lives. I think GenX'ers and Boomers are just as impatient. #GenYChat

**ArrowsWithSoul:** If we move out, will it make things better? RT @DListRecruiter: y GenY leaches off parents n refuse to grow a set and move out. #GenYChat

**Animal:** @WriterChanelle GenY is people from middle class families w parents who went to university. Maybe your family is on the way up #GenYChat

**peterfromottawa:** Marriage and Kids isn't on everyone's priority list... that's such a terrible generalization #GenYChat

**THO\_R:** @DListRecruiter Many in Gen Y already have a mortgage: student loan payments. #genychat

**Animal:** @WriterChanelle #GenYChat That wd make U a special subset of GenY not the standard issue

**WriterChanelle:** @ArrowsWithSoul Hey Yas! Good morning to you. Lol. (so weird for me to say right now...LOL) #genychat

**AvidCareerist:** Some parents encourage and facilitate dependence, some independence. #genychat

**DListRecruiter:** Keep telling yourself that- thats all I have to say. If that makes you feel better #GenYChat

**Animal:** @WriterChanelle What does fast paced mean? #GenYChat - Ignore me if I'm off topic. Its okay w me

**rblake:** AMEN! RT @peterfromottawa: Marriage and Kids isn't on everyone's priority list... that's such a terrible generalization #GenYChat

**ComeRecommended:** True. Student loans outweigh credit card debt RT @THO\_R: @DListRecruiter Many Gen Y already have a mortgage: student loan payments #genychat

**WriterChanelle:** @animal It's an open forum...you're good. Well, there's also a subset of blondes who aren't dumb. #GenYChat

**ArrowsWithSoul:** Likewise gd evening! Lol! RT @WriterChanelle: @ArrowsWithSoul Hey Yas! Good morning 2 you.(so weird for me to say right now...LOL) #genychat

**Animal:** UR wrong @peterfromottawa marriage and kids R what make people act older #GenYChat

- WriterChanelle:** @animal There's a subset of women who are great in science and math. There's a subset of black people who are literate. #GenYChat
- DListRecruiter:** Don't forget - when the left one runs out switch to the right one to get some more #GenYChat
- WriterChanelle:** @animal I don't think it's fair to characterize GenY the way that it's been happening just because we're not a protected group #GenYChat
- peterfromottawa:** @animal - what about DINK families? and professionals who don't find that 'priority' until they're 40+???? #GenYChat
- Animal:** @WriterChanelle #GenYChat Albinos are human but not many humans are albinos. Not many GenY R from poor families
- RefinanceDeals:** @DListRecruiter Many in Gen Y already have a mortgage: student loan payments. #genychat#TWITT #NYC
- ArrowsWithSoul:** @DListRecruiter not a linear world now to hv career by 25, 2 wives 3 kids 2 dogs by 35.anything can happen anytime today. #genychat
- Animal:** @grumpywienerdogg #GenYChat If UR a boomer w/out kids UR going to have a fair bit in common w GenY b/c of your social situation
- WriterChanelle:** @animal Which GenY are you talking about? The 60% Caucasian GenY or the 40% Black, Hispanic, Asian, etc... GenY? #GenYChat
- ArrowsWithSoul:** @DListRecruiter gen y has to live in this non linearity n own it in our own way #genychat
- DListRecruiter:** I have a cousin who lives @ home @35.She is Bipolar n crazy in her head. She at least has an excuse. What is everyone elses prob? #GenYChat
- Animal:** @WriterChanelle #GenYChat GenY as we know it is not a group of any young people. It's a particular social group
- WriterChanelle:** @grumpywienerdogg Exactly. These are unfair assumptions being made for the sake of controversy and pageviews. #genychat
- Animal:** @WriterChanelle #GenYChat - The GenY of popular discussion are the kids of middle class people with post-secondary education
- ComeRecommended:** @DListRecruiter Although some ppl move back home for a year or two, I know plenty of GenYers that have moved out on their own #genychat
- RefinanceDeals:** @DListRecruiter Many in Gen Y already have a mortgage: student loan payments. #genychat#TWITT #NYC #USA
- peterfromottawa:** Trying to define maturity by a legal contract and conception is ridiculous... #GenYChat
- WriterChanelle:** @animal And guess who that leaves out? A whooooooole lotta GenY that doesn't fit their characterizations #GenYChat
- Animal:** @grumpywienerdogg #GenYChat - what is your point dear. I missed it
- TheKrayze1:** @peterfromottawa I somewhat agree. maturity is gained by life experiences #GenYChat
- TheKrayze1:** I've had a few experiences in my early 20's that forced me to start acting like an adult really quickly. #GenYChat
- Animal:** @WriterChanelle You're right Chanelle. A lof of young people are not "GenY" #GenYChat

**Animal:** @WriterChanelle #GenYChat Just like in 1972 Nixon won by a landslide even tho that was the 1st election 18yr olds cd vote in

**peterfromottawa:** I just don't know a lot of people who have marriage/kids as a life goal #GenYChat

**PixerLated:** I moved 1000 mi from anyone I knew. RT @DListRecruiter I know plenty of GenYers that have moved out on their own #genychat

**Animal:** @WriterChanelle if young voters were the people who were written about in the papers Nixon wd have gotten no votes from them #GenYChat

**Animal:** @peterfromottawa U will #GenYChat

**WriterChanelle:** @animal And there was a Generation Gap in the 60's too. From what I've read people hated the accusations <http://bit.ly/9Ib7mC> #genychat

**ComeRecommended:** @PixerLated Exactly. It's not fair to generalize that all Gen Yers are "boomerang kids" #genychat

**DListRecruiter:** Why am I here? #GenYChat

**ArrowsWithSoul:** @Animal we gen y's r very varied. not all neg/pos generalizatns can b applied 2 evry1 else. #genychat

**WriterChanelle:** LOL. What?! RT @DListRecruiter: I want to know why GenY leaches off their parents and refuse to grow a set and move out. #GenYChat

**Animal:** @grumpywienerdog #GenYChat I also answered that question. A lot of mid-age people who don't have kids are like younger people #GenYChat

**DListRecruiter:** So who has it right? The Boomers or everyone else? #GenYChat

**THO\_R:** Buzzing around in my head today: Is FB/Twitter use at work today's equivalent of the 2 martini lunch? #genychat

**Animal:** @ArrowsWithSoul #GenYChat I havent said anything negative tonite

**PixerLated:** @ComeRecommended Yes, I have paid for my own car ins etc since I was 15.5. I worked 35hrs /wk in Highschool #genychat

**WriterChanelle:** @DListRecruiter You know the jobless rate among 18-34 is 39%? The highest in decades. #GenYChat

**peterfromottawa:** @animal - actually, I won't... #GenYChat

**WriterChanelle:** @DListRecruiter But, there are plenty GenY who are married and living on their own. #GenYChat

**ComeRecommended:** @PixerLated Totally understand. I worked throughout high school as well & paid for my own car at 18. #genychat

**Animal:** I like the @DListRecruiter #GenYChat - RT Why am I here?

**PixerLated:** Ill take the Maritni RT @THO\_R: Buzzing arnd in my head 2day: Is FB/Twitter use at work 2day's equivalent of the 2 martini lunch? #genychat

**peterfromottawa:** Didn't the boomers also think that they're parents were full of crap? #GenYChat

**Animal:** @peterfromottawa I'm pretty sure you will. No matter what your orientation #genychat

**WriterChanelle:** @animal Hmmm....you're driving at something. #GenYChat

**Animal:** @WriterChanelle There was a real Gen Gap in the 60s. Not now IMHO. And people revelled in the idea. #GenYChat

**WriterChanelle:** ! RT @ComeRecommended For many GenY it's tough to find a job & move out right after college b/c of little opp or high competition #genychat

**rblake:** @Animal Are you saying marketing 10 years ago isn't way different then now? Is that not a generation issue? Cell vs. internet? #genychat

**Animal:** @grumpywienerdogg U have more discretionary income. U have more free time. U have a freer life #GenYChat

**Data\_Diva:** Trying to catch what the topic is -- don't know yet but interesting comments so far #GenYChat

**ActiveIngreds:** RT @peterfromottawa: Trying to define maturity by a legal contract and conception is ridiculous... #GenYChat

**ArrowsWithSoul:** Or positive ;) RT @Animal: @ArrowsWithSoul #GenYChat I havent said anything negative tonite

**Animal:** @rblake I love the net and I still marvel at it. It's creating changes but I don't know how diff people's psychology is bc of it #GenYChat

**AvidCareerist:** Boomers could expect to buy a car and a house in a safe neighborhood on one blue collar income. Their kids can't. Shame. #genychat

**WriterChanelle:** @DListRecruiter Why so bitter? #GenYChat

**Animal:** @rblake I think young people have the oppty 2B way better informed than anyone ever b4 but they're probably not #GenYchat

**GenyChat:** @Data\_Diva It's an open forum tonight. Ask anything. Respond to everything. Lol #GenYChat

**2moroDocs:** @WriterChanelle @ComeRecommended Curious. Is GenY living at home during college? Aren't ppl already on their own? #genychat

**ComeRecommended:** RT @AvidCareerist: Boomers could expect to buy a car and a house in a safe neighborhood on one blue collar income. Their kids cant #genychat

**AFaquir:** #genychat why is @animal here?

**Animal:** @rblake #GenYChat talking on the phone on a bus doesn't make you different

**ArrowsWithSoul:** Yes I wanna know too RT @WriterChanelle: @DListRecruiter Why so bitter? #GenYChat

**WriterChanelle:** A bunch of broke kids on the streets RT @ArrowsWithSoul: If we move out, will it make things better? RT @DListRecruiter: #GenYChat

**Animal:** @ArrowsWithSoul Are we obligated to praise or condemn? #GenYChat. Isn't that a silly idea?

**ActiveIngreds:** hi guys -just joining for the first time - have been wanting to for a long time! #genychat

**Animal:** @grumpywienerdogg Did I say there was dear? #GenYChat UR making stuff up

**WriterChanelle:** @2moroDocs They're referring to the boomerang kids who come home after college but don't move out (for a while) #genychat

**ComeRecommended:** @2moroDocs Some are. Others living off student loans/parent's help at college, or living off the meager income they can make there #genychat

**Animal:** @AFaquir I'm ready to leave. Said my piece. I didn't know it was restricted. #GenYChat So long

Andy

- AFaquir:** @WriterChanelle @ArrowsWithSoul @DListRecruiter of course it won't make things better... But it won't make it worse! #GenYChat
- rblake:** @Animal Switching to a completely new means of comm. is a generation issue - how can you defend your logic? SM vs. Email etc.... #genychat
- THO\_R:** @AvidCareerist And many Gen Yers were raised in 2 income households and might not have enjoyed it. #genychat
- ArrowsWithSoul:** Uhhuh what I was driving at RT @WriterChanelle: A bunch of broke kids on the streets RT @ArrowsWithSoul: RT @DListRecruiter: #GenYChat
- Animal:** @rblake #Genychat Speed of mail is enjoyable but I don't think it changed people. That's what we're talking about
- AvidCareerist:** My mom worked. Both of my brothers wanted their wives to be home with their kids. I liked that my mom worked. #genychat
- AFaquir:** @Animal no stay... I love your approach... I believe us young punks should be challenged...#genychat
- Animal:** @rblake I think the ability of an individual to establish a presence online is a radical change #genychat but it's rare.
- WriterChanelle:** @animal P.S. Fast-paced means we get the answer instantly. Where is someone? We call their cell. What is X? Google it. #genychat
- Animal:** @grumpywienerdogg UR putting words in my mouth. I didn't imply in any way that there was anything wrong w your lifestyle #GenYChat
- WriterChanelle:** yup RT @peterfromottawa: Marriage and Kids isn't on everyone's priority list... that's such a terrible generalization #GenYChat
- WriterChanelle:** \$70,000 of it right here. RT @THO\_R: @DListRecruiter Many in Gen Y already have a mortgage: student loan payments. #genychat
- AFaquir:** @AvidCareerist my mom too... I don't think she knew another way! #genychat
- Animal:** @WriterChanelle And what's the significance of that? #genychat
- THO\_R:** @WriterChanelle We text, tweet or check foursquare to find someone these days ;) #genychat
- carol\_phillips:** #genychat A question I get a lot is whether the Recession will have a lasting impact on Gen Y habits and psyche. What do you think?
- rblake:** @Animal Yes and 10 years ago - You wouldn't of even thought about it. GenY changed that. Thus, a generation issue. #genychat
- AvidCareerist:** Perhaps the message is that we have an incredible amount of choice with our lives and that is a HUGE challenge. #genychat
- ArrowsWithSoul:** Agree but what's the point u're makin here RT @Animal: @ArrowsWithSoul r we obligated 2 praise or condemn? #GenYChat. Isn't it a silly idea?
- WriterChanelle:** @animal Lol...you're trying to get me to say it makes us want what we want when we want it. I disagree. #genychat
- Animal:** Thinking psychedelic drugs are ok was a radical generational change. So was thinking pre marital

sex is okay. Women's lib etc #Genychat

**WriterChanelle:** @animal It makes us want what is already out there and can quickly find the answer to. #genychat

**DListRecruiter:** Why is animal always everyones punching bag? #genychat

**Animal:** @WriterChanelle U don't know what I'm thinking #GenYChat #true

**jsheldonus:** @carol\_phillips my answer: yes. They will have not been handed as much as those previous. "Earned it" sooner. #genychat

**WriterChanelle:** @animal What do you always do on your show when people don't give you the answer you want right away? GET TO THE POINT!!!! #genychat

**Animal:** @ArrowsWithSoul GenY is diff from others bc it is young not bc it is GenY (a historical sociological group) #genychat

**WriterChanelle:** @animal Hehe....maybe, maybe not #GenYChat #true

**Animal:** @WriterChanelle isnt that good? #genychat I stated my point at the start. Now we are examining it

**WriterChanelle:** Exactly. RT @THO\_R: @WriterChanelle We text, tweet or check foursquare to find someone these days ;) #genychat

**AFaquir:** For all those engaging @animal his pov is he doesn't believe in incremental change... #genychat

**Animal:** @WriterChanelle I think I'm done. Thanks for the fun. #GenYChat

**WriterChanelle:** @animal I was a philosophy major, sir. Critical thinking is my thing. #genychat

**ActiveIngreds:** quite the entertainment! #genychat

**Animal:** @AFaquir Now I have to reply. I do believe that GenY is a good example of incremental change #GenYChat

**WriterChanelle:** @animal LOL....boooooo. Thanks for dropping by! #GenYChat

**ArrowsWithSoul:** @carol\_phillips hi carol! Yes to impact of recession on Y's. It has become part of our cultural ethos #genychat

**Animal:** @AFaquir Big changes happened pre-GenY. They are just carrying them forward in a normal way #GenYChat

**Animal:** @WriterChanelle I'm sure you're better at it than me #Genychat

**rblake:** I think it's a healthy discussion. I'm enjoying the chat with @animal - despite him bashing my appearance in my blog early on #genychat :)

**AvidCareerist:** Challenge for parents: Teach your kids "how" to adapt, not "what" to do. #genychat

**ActiveIngreds:** I must agree RT @Animal: @AFaquir Big changes happened pre-GenY. They are just carrying them forward in a normal way #genychat

**ActiveIngreds:** big changes happen with each generation, so dont think genY is any different really #genychat

**AFaquir:** @animal agreed... #GenYChat

**Animal:** @rblake did I? I don't even know your blog #GenyChat but I'm friends w your boss

**ActiveIngreds:** the one thing I do wonder is if each successive gen will get to its boiling point sooner #genychat

**WriterChanelle:** @grumpywienerdogg Indeed. It's my major reason for not using it. Besides the fact that I don't really go anywhere. LOL #genychat

**THO\_R:** @carol\_phillips When big financial companies can crumble, perhaps Gen Y thinks it better to start own biz ventures #genychat

**WriterChanelle:** @animal Awww....thanks #Genychat

**Data\_Diva:** Recession and job changes have done a number on the psyche of Boomers too #justsayin#GenYChat

**Animal:** @rblake maybe I did and I 4get but so what. Maybe I said something worthwhile and maybe not #genychat

**DListRecruiter:** I just think that parents are letting their kids free load off them and this started as of 2000- b4 the economy going south #genychat

**ActiveIngreds:** RT @Data\_Diva: Recession and job changes have done a number on the psyche of Boomers too #justsayin #genychat

**THO\_R:** @grumpyweinerdog Any good thief will check if my car is in the driveway before relying on Foursquare ;) #genychat

**Animal:** I have to salute @jon\_hyland and @Afaquir 4 coming on my show. I extend an invitation to others in your group @WriterChanelle #genychat

**rblake:** @Animal I blog @ b4j's blog. You said something about my braces :D You seem more sane tonight though. I appreciate it. #genychat

**WriterChanelle:** @PixerLated 1000 miles?? What led you to move? #genychat

**Animal:** @WriterChanelle if they have something relevant 4 my audience #genychat

**ActiveIngreds:** do you think each gen is lazier than the previous one? #genychat

**TheKrayzel:** Wish my parents would learn that. RT @AvidCareerist: Challenge for parents: Teach your kids "how" to adapt, not "what" to do. #genychat

**Data\_Diva:** We Boomers have had to adapt as well. Admittedly experience has helped "some" of us. Some of us seen as "too old" tho #GenYChat

**oppsproject:** so late to #genychat- what's the Q? #genychat

**WriterChanelle:** @animal Missed that. If who does? #genychat

**ComeRecommended:** @oppsproject Open forum. Ask ?'s and answer ?'s #genychat

**ActiveIngreds:** RT @AvidCareerist: Challenge for parents: Teach your kids "how" to adapt, not "what" to do. #genychat

**ActiveIngreds:** @oppsproject open forum #genychat

**KatieMcManners:** .@peterfromottawa doesn't EVERY generation think their parents were full of crap? #GenYChat

**GenyChat:** @oppsproject No one question in particular. Just toss out any question or go back and respond to folks #genychat #genychat

**ArrowsWithSoul:** @DListRecruiter I wish those kids were here now sharing their perspectives. #genychat

**ActiveIngreds:** isn't evolution a great thing?! RT @Data\_Diva: We Boomers have had to adapt as well. #genychat

**peterfromottawa:** that was my point @katiemcmannes #genYchat

**WriterChanelle:** RT @ComeRecommended: @PixerLated Totally understand. I worked throughout high school as well & paid for my own car at 18. #genychat

**oppsproject:** @ActiveIngreds I think each gen reflects the current state of the world when they came of age, not getting lazier #genychat

**ComeRecommended:** RT @oppsproject: @ActiveIngreds I think each gen reflects the current state of the world when they came of age, not getting lazier #genychat

**Animal:** @rblake Well actually now that you mention it you look like your ten years old. #genychat

**WriterChanelle:** \*whistles\* RT @peterfromottawa: Didn't the boomers also think that they're parents were full of crap? #GenYChat

**rblake:** Would you like to interview one of the co-host of #genychat over #geny @animal ? You seem to have lots of opinions about it.

**Animal:** #GenYChat U guys might find this interesting <http://bit.ly/9xUde7> or not

**oppsproject:** boomers were raised by their depression era parents who were all about sacrifice- they didn't want their kids to live like that #genychat

**AvidCareerist:** My parents' life view didn't work 100% for my life. Mine won't work 100% for yours. Learn to think, adapt, live. #genychat

**THO\_R:** Am I the only one not seeing @grumpyweinerdog 's tweets in Tweetchat? #genychat

**Data\_Diva:** @ActiveIngreds It's kept me young in spirit and mind. Kept me open and curious. #genychat

**rblake:** @Animal I get that in real life - give me 10 years and it'll work to my advantage. :) #genychat

**THO\_R:** RT @AvidCareerist: My parents life view didnt work 100% for my life. Mine wont work 100% for yours. Learn to think, adapt, live. #genychat

**JimmySW:** Missing #genychat tonight. Gotta get some sleep. Full day of travel tomorrow.

**Animal:** @rblake I have done a number of GenY shows already. It wd have to be particularly interesting or my regular crew wd slaughter me #genychat

**ArrowsWithSoul:** I'm not either RT @THO\_R: Am I the only one not seeing @grumpyweinerdog 's tweets in Tweetchat? #genychat

**ActiveIngreds:** @Data\_Diva keeps me learning too and for me if there's not learning, I've really lost big time. #genychat

**PixerLated:** @WriterChanelle I like the potential for the job, and the location. Plus I moved all through out my life... #genychat

**tomboynature:** RT @WriterChanelle: \*whistles\* RT @peterfromottawa: Didn't the boomers also think that they're parents were full of crap? #GenYChat
